

Rock Fall Professional Workwear

Alfreton, Derbyshire. February 2007

Rock Fall UK Limited founded in 1981 are a leading importer of safety footwear and safety clothing. Rock Fall design, manufacture and distribute high quality safety footwear and clothing to suppliers worldwide

Rock Fall has become a leading brand name for high quality safety footwear and clothing. The success of the Rock Fall brand is owed to its ability for safety products to be not only comfortable and functional, but also fashionable.

Rock Fall have recently produced a superior range of professional workwear and accessories all incorporating the latest hard wearing fabrics. Included in the range are the '3 in 1 Jacket' that features a removable bodywarmer and 15 fully functional pockets, a stylish 'Drivers Jacket', comfortable 'Fleece Jacket', hard wearing 'Poly Cotton Work Trousers' and high quality 'Combat Trousers' designed with their own Roc-Weave fabric that features 7 multi function pockets and provide excellent comfort and durability.

To accompany the clothing range are new accessories including 'Floating Pockets' which are essential for any tradesman, 'Knee Pads' that provide ideal protection from the strain and discomfort of kneeling, and the 'Rock Fall Belt' with metal clasp buckle and hard wearing belt band. Rock Fall are also offering a great value for money 'Trade Pack' featuring all of the above accessories at a discounted price.
